SAVE YOUR RECYCLING: Although we do not have a pathfinder club this year, we are still fundraising to attend the International Camporee in Montana next year. We are collecting plastic water bottles and or cans. We do ask that the recyclables be sorted and bagged prior to dropping them off, it will make our part easier. If you are donating plastic water bottles, please keep the labels on and lids off but you can toss the lids in the bag as we get money for the lids also. If the liquid is not water, they require the bottles to be rinsed prior to recycling. We greatly appreciate your help in supporting our young people. See flyer for further instructions in sorting materials. If you have any questions, please call Lisa W. at (530)281-6252.
